

# SECURE SILICONE GLASSES HEAD STRAP

## INSTRUCTION MANUAL

Ever spent the whole day pushing your glasses back up your nose... only for them to slide again 30 seconds later?

These soft silicone glasses straps help keep your frames secure so you can get on with life without the constant adjusting.

They sit gently around the back of your head and grip onto the arms of your glasses without pulling, pinching, or feeling bulky. Once they're on, they stay put through movement, bending, sports, and busy days, making them a simple little add-on that can bring a big boost in comfort and confidence. Perfect for everyday wear, school, work, and all the active things where glasses love to slip at the worst time.

### **Great for:**

- Keeping glasses secure during daily movement
- Running, sports, gym sessions, and outdoor adventures
- Kids at school, on the playground, or during sport
- Working at a computer without glasses slipping
- Fishing, boating, and windy environments
- Hands-on work, active jobs, and busy workdays
- DIY, gardening, and practical tasks
- Limited mobility, dexterity, or hand strength
- Reducing sensory distraction from slipping frames
- Reducing the mental load of constant adjusting
- Wearing alongside headphones, hearing aids, or face masks
- Older adults wanting extra security without bulky straps
- Kids who are hard on glasses or always losing them

# SECURE SILICONE GLASSES HEAD STRAP

## INSTRUCTION MANUAL

### Features:

- Soft silicone that flexes comfortably without pulling
- Split-loop ends that grip onto most glasses arms
- Lightweight design for all-day wear
- Works with prescription glasses and sunglasses
- Suits both kids and adults (stretch fit)
- Sport-style embossed icons for a fun finish

**Image Description:** A soft silicone glasses strap with flexible split-loop ends that grip the arms of glasses. The strap curves around the back of the head to help prevent glasses from slipping or falling during movement. Photos show the strap worn by adults and children from side and rear angles, with close-ups of the loops and sport-themed embossed icons.

### Details:

**Material:** Silicone

**Size:** Approx. 22cm long

**Glasses insert size:** 9mm (L) x 2mm (W)

**Fit note:** Stretchy and adjustable. Suits glasses with an end point between 7-14mm

**Weight:** 5 grams

**Package Includes:** 1x Glasses Head Strap

Recommended ages 3+

### How to Use:

#### Option 1: One side at a time

1. Check the strap is the right way up (icons facing outward)
2. Slide one glasses arm through the split loop until it comes out the other side
3. Put your glasses on as normal
4. Bring the strap around the back of your head
5. Slide the second glasses arm through the other loop
6. Adjust for comfort and security

#### To remove:

Slide one arm out of the loop and lift your glasses off as normal

#### Option 2: Both sides first

1. Slide both glasses arms through the split loops so the ends are visible
2. Hold the strap in place near the loops
3. Put your glasses on and gently stretch the strap into position around the back of your head
4. Adjust the strap so it sits comfortably and feels secure

#### To remove:

Hold the frames near the loops and lift your glasses up and over your head
